# INTRODUCTION

- Agrawal Secure Logistics Private Limited is an extended logistics module of Agrawal Transport (Established in 2005) & currently has strategic partners across India. We specialize in Transport & Logistics.
- With Reliability & Timely services, the company has grown progressively to becoming a major & reliable player in the sector.
- It's currently serving clients in all over India offering custom-made services suitable for individual needs that start from the point of origin through various custom procedures to the client's doorstep and ensures that clients get personalized attention.

# THE COMPANY

- ❖ The company has invested tremendously in the latest & relevant technologies in regard to communications, tracking, transfers, transport, packaging & storage.
- ❖ With Agrawal Secure Logistics Private Limited, goods are not only secure, but clients are always in the know as pertains to the whereabouts of their goods every step of the way. To achieve this, we have developed Internal Operation Standards (IOS) which are bench marked nationally.

- ❖ We stand out favorably for our outsourcing capacity, conventionally acceptable business conduct, & national affiliations which culminate in competitive pricing; prompt deliveries & good customer relations.
- ❖ We strive to build a working bond that ensures clients get reliable services thus getting added value for their money.
